APRIL 2019

I would like to start off by expressing how nice it is to see the members returning to the lodge on a regular basis. We are only as good as our members and it takes all of us to be successful. The amount of help and support at our events is greatly appreciated. Everyone seems to be enjoying the lodge, so for those that haven't please come by and join the fun. There was a breakfast held on March 9, it was a really great event. We will be having another one on April 13, so please plan to attend, and if you would like to help, please contact Johnny Beale. Susan Brooks is planning a Poker Run fundraiser for Suffolk Humane Society on June 1, there are ongoing meetings to plan the event, so anyone wanting to help please come by to the meetings.

I am still looking to receive email addresses to cut down on the cost of this newsletter, plus I can reach more members with updates and events going on at the lodge more frequently. So please join the email list so you can stay up to date with all the activities going on at the lodge.

In March we also initiated a new member, Mike Williams. I would like to welcome him to our lodge. In that same meeting we had four new candidates proposed and voted on, and swore in our new officers. You can check out the new officers later in the newsletter. Thank You to all that stepped up to fill the positions. Looking forward to great Lodge year. On April 17, we will be having a dinner and there will be promotions on the games, this would be a good time for anyone to come by and try the games if you haven't already. At our next meeting we will initiate 4 new members, so please plan to attend and welcome them. As always, if anyone has any ideas for events, or wants to put on an event please let us know. Hope to see everyone at the lodge. Take care

Committee News

The Home Committee would like to thank everyone that helped with the breakfast. The support of help was amazing and encouraging enough to create another breakfast and possibly many more. There will be a Spaghetti Dinner on April 17, as well as game promotions. Thank You to Johnny Beale for taking care of the heating and A/C issues we were having.
