OCTOBER 2024

We had our annual District Deputy visit last month, if anyone wants to see the report, please let me know. We also initiated a new member at the meeting, Nancy Goode. The social committee had a fried chicken dinner and trivia event this past Friday, thankful to all who helped and supported this event. This month the state convention is held in Virginia Beach if anyone wants to go it is October 25,26,27. The past due notices go out this month for dues, we are down to ten delinquents left so hopefully we can get them cleared up after the notices go out. If you have a question as to whether or not you paid them yet let me know. I know its an oversight of many especially if you don't make it to the lodge often.

Grover has added a couple of new games this past week so come check them out and maybe you will win some money doing so. The Grand Lodge requires us to report on all of our charitable events, I usually keep up with these, however if a member helps with a sports team, an organization or even a random event please let me know. I will have the sheet to fill out for the member to fill out behind the bar and also you can contact me. This will help us keep track of it better. I hope everyone has a great month and take care!

Committee News

The committees didn't report anything to me for the newsletters if you have a question or concern for them please reach out to a committee member or the chairperson of that committee.
